is hereby notified that the whole of the Mysore taluk will be deemed to be an "infected area" purposes of the Regulations issued with Notifications Nos. 9383—Mis. F. 21-96 and 9384—21-96, dated the 10th February 1898, under the Epidemic Diseases Regulations.

No. Pg. 1237, dated 16th February 1899.

The following Notification, issued by the Chief Commissioner of Coorg, is re-published for general information :—

hereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of at Kurchi, a village in Thavalgeri-Murnad of Kigatnad taluk in Coorg, if persons from the Territory and other plague-infected parts are permitted to assemble at that place on the of the ensuing Irpu jatra during the Mahasivaratri festival.

exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said jatra of persons from the Mysore Territory and plague-infected parts on the 10th and 11th March 1899.

1 persons proceeding to the jatra in contravention of this Notification will be turned back.

No. Pg. 1241, dated 18th February 1899.

exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Section 9 A to the original Mofussil Regulations published with Notification No. 9383—Mis. F. dated the 10th February 1898.

(1) *Demolition of buildings.*—If in the opinion of the Deputy Commissioner, or of the District Plague Officer or District Medical Officer any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the Sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the Deputy Commissioner or District Plague Officer may have the same or any part thereof demolished.

**Valuation.**—Prior to any such building being demolished, the Deputy Commissioner, District Plague Officer, or other officer authorized by the Deputy Commissioner in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such officer as the Deputy Commissioner may by name or by virtue of office appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than 7 days from the date of such notice) and the place at which the building will be surveyed and assessed as aforesaid, and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and its value so assessed. The valuation of such building by such officer shall be conclusive, and the owner shall be entitled to receive the amount of the value thereof to be provided out of the Municipal or District Funds as the Deputy Commissioner may direct (in this behalf) but he shall not be entitled to receive any further or other compensation.

Materials of any building or part of a building demolished as ordered by the Municipal Board or District Fund Board as the same may be required and disposed of or, if necessary, destroyed, as may be directed by the Commissioner of the district.

...of any building regard shall be had only to  
structure; and no allowance shall be made, nor  
compulsory demolition or otherwise.

power to arrange with the owners of the  
subsequent date or dates convenient to  
Deputy Commissioner, District Plague  
Commissioner as above.

intended to, and shall not operate to, deprive the Commissioner of any power which he may possess independent

(Form C).

## DECLARATION REFERRED TO IN REGULATION VII (b).

With reference to the Regulation above quoted, I hereby declare that neither the luggage which I desire to have weighed, nor the person who contains any portion of the luggage of a person who has been granted a certificate of exemption from disinfection, and whose luggage is subject to inspection under the Plague Regulations prescribed by the Mysore

MYSORE,

Dated the

1899.

APP

9. Special Passes may also be granted in cases of epidemic, when the President or any of his relations or among any of his relations may always require the disinfection of articles to be taken away from the applicant has been granted for a period not to extend to ten days, or in such cases disinfection may be required.

## RULES FOR DISINFECTION CAMP.

(Appendix A, referred to in Regulations III and VII.)

1. The place of disinfection for persons leaving Mysore by rail shall be the shed on the Mysore Railway Station premises hereinafter called the disinfection camp.
  2. Persons desirous of being disinfected must attend the disinfection camp with the luggage which they wish to take with them out of Mysore.
  3. The camp will be open for disinfection of persons and their luggage daily from 5 to 10 A. M., and from 3 to 6 P. M. In the case of all trains it will suffice if passengers desirous of proceeding thereby attend the camp  $1\frac{1}{2}$  or 2 hours before the train is timed to start.
  4. After disinfection all persons shall be conducted in sufficient time to enable them to purchase tickets before the train starts.
  5. No person after disinfection shall receive any luggage or parcel from any one outside the disinfection camp. Any person evading this rule will not be allowed to purchase a ticket unless he has again been disinfected with his luggage. Any person failing to proceed by the first train after disinfection shall be required immediately to deliver up the disinfection certificate in his possession and shall, if he desire to proceed by any subsequent train, be subjected to a second disinfection unless he does not leave the Railway Station premises. Travellers are advised to retain their disinfection certificates until the inspection stations in Mysore have been passed.
  6. Disinfection shall be carried out by washing the hands and feet of the person with disinfection solution. The solution to be water, either warm or cold, preferred, mixed with Jeye's fluid or carbolic acid of strength 1 in 100.
  7. Female attendants will be provided for women, and arrangements will be made for the strict preservation of their "gosha."
- All luggage which those persons who are required by these Regulations to produce disinfection certificates before they can be permitted to proceed by rail, whether in box, or bundle, shall be opened out and examined. All food stuffs, costly silks, clean clothes, expensive goods, shall be put into a gunny bag, a separate bag for each passenger or family, a metal number to be given to the owner hereto, a duplicate being given to the owner. The bag and its contents shall then be placed in a steam pressure of 20 minutes to a steam pressure of 100 lbs. per square inch.
- Food clothes or expensive cloths shall be disinfected by being washed in a solution of perchloride of mercury, and being exposed to the sun, or in such other manner as the officer in charge of disinfection may direct. The goods shall be disinfected without damaging them. When the disinfection has been completed, the duplicate of the goods so disinfected and his
